 - Product Team Teachers
 - Grade Level Leaders
 - Counselor
 - Administration

HELPING MAKE
CONNECTIONS

HOURS & TRANSPORTATION

- School Day is from 7:45am-2:35pm
- Busing is available – pick up and drop off location vary by district, current stops are on website

LANGUAGE ACQUISITION

WORLD LANGUAGES AT THE IAM

WORLD LANGUAGES AT THE IAM

All students at the IAM study at least one world language! All students start learning a language in their freshman year and continue learning that language until they graduate. IAM students learn to communicate in their chosen language and use their language skills to develop intercultural understanding and appreciation.

CHOOSING YOUR LANGUAGE

- IB languages are all about acquiring a new language and new cultural understanding! Students should choose to study a language they are excited about and do not already speak at home.
- All IAM students start in level 1 of a language. Students may choose to build on any previous language learning experience or may use the opportunity to start exploring a new language!
- All of the language programs at the IAM offer a variety of vibrant opportunities, in and outside of the classroom!

WHY LEARN FRENCH?

- French is spoken on five continents!
- French is an important language for international politics, business, the entertainment industry, and fashion.

French at the IAM:

- French Club
- French Honor Society
- Annual French Week celebrations
- Field trips to the Detroit Institute of Arts!

WHY LEARN GERMAN?

- German is the most widely-spoken language in Europe!
- German is especially useful and desired in the fields of science, technology, engineering, economics, media, and fine arts.

German at the IAM:

- German Club
- German Honor Society
- Annual Gingerbread House Competition
- Field trips to Frankenmuth!

WHY LEARN SPANISH?

- 450 million people speak Spanish worldwide!
- Knowledge of Spanish is especially helpful in the fields of health care, business and marketing, and education.

Spanish at the IAM:

- Spanish Club
- Spanish Honor Society
- Annual soccer tournament
- Field trips to Mexicantown in Detroit!

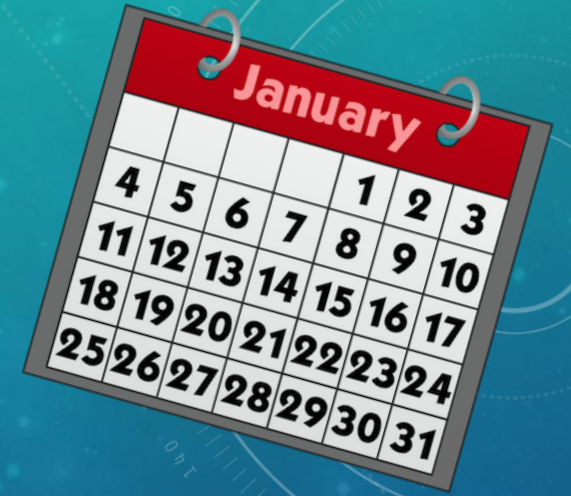

INTERNATIONAL TRAVEL

All IAM language programs offer international travel opportunities for students. Below are some highlights from recent IAM language trips!

- Exploring castles and hiking in the German Alps
- Swimming on the beach in the French Riviera
- Helping rebuild coral reefs in the Dominican Republic
- Seeing sustainable technology in action in Freiburg, Germany
- Visiting the Palace of Versailles outside Paris, France
- Apfelstrudel cooking demonstration in Vienna, Austria
- Dancing lessons in Lima, Peru

NEXT STEPS

- Apply December through the end of January
- Entrance test is remote and will take place on the first Saturday in February
- Lottery, if necessary
